## Differentiators:

- Please accept my sincere appreciation for your outstanding efforts over the last 18 months in support of the Navy Enterprise Planning Program (Navy ERP). Your untiring support and impressive contributions led to the complete redesign of our Availability Control Process. This redesign enabled budgeting at the lowest level within a Work Breakdown Structure supporting Naval Systems Commands' business processes...Your attention to detail coupled with your extensive knowledge and experience were invaluable as you developed design concepts with SAP, tested procedures with the established a production processes to update data for budget availability.

- DoD Financial Mgmt, SERCO/ DoD (Prime N00140-06-D-0045, Subcontract 06-366-1701), Value: \$602,648
- Navy FMO, Navy (N00140-07-P-008), Value: \$4,900

## Differentiators:

- As a direct result of your efforts, \$166 billion moved into the new ZQ ledger as well as 112 technical objects. Additionally, your team accomplished nine months of regression testing and 1.6 million entries in the Funds Management Availability Control Table (FMAVCT). These are simply amazing accomplishments. Your professionalism and willingness to manage multiple priorities, as this work was just a piece of the total workload, is truly appreciated. It is because of subject matter experts like you that our Navy ERP solution is so remarkable and recognized as world class. ..
